

NOTICE: TTC Construction Street Closures

WHAT

The Toronto Transit Commission (TTC) is conducting repairs to the streetcar tracks, streetcar platforms and bike lanes along College Street.

WHEN

The repairs are expected to start on **September 5, 2022** and last until the end of December 2022. The work will take place 24 hours a day, 7 days a week. This timeline is subject to change.

WHERE

Sections of College Street will be partially and completely closed to traffic to facilitate this work. The repairs will take place in multiple phases with lanes of traffic moving east and west in certain locations depending on the month. Please refer to the map below with projected dates for the road closures.

We understand that this may be an inconvenience for our staff and community. We encourage you to plan for additional time if you commute to work via TTC or car. There will be signs put up by the TTC to direct traffic.

We are working with the City and the TTC to inform impacted stakeholders and will keep you updated via Insite as information becomes available.

If you have any questions, please email public.affairs@camh.ca. Thank you for your understanding.
