Financial statements March 31, 2024

Independent auditor's report

To the Board of Directors of Centre for Addiction and Mental Health Foundation

Opinion

We have audited the financial statements of **Centre for Addiction and Mental Health Foundation** [the "Foundation"], which comprise the statement of financial position as at March 31, 2024, and the statement of revenue, expenses and changes in fund balances and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We obtained the Annual Report prior to the date of this auditor's report. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact in this auditor's report. We have nothing to report in this regard.

Other matter

The financial statements of the Foundation for the year ended March 31, 2023 were audited by another auditor who expressed an unmodified opinion on those financial statements on July 6, 2023.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes

Notes to financial statements

March 31, 2024

1. Purpose of the organization

The Centre for Addiction and Mental Health Foundation [the "Foundation"] was incorporated under the laws of Ontario in 1986 and has continued under the Ontario Not-for-Profit Corporations Act. The purpose of the Foundation is to raise funds in support of the Centre for Addiction and Mental Health ["CAMH"], either alone or in cooperation or conjunction with others.

The Foundation is a charitable foundation registered under the *Income Tax Act* (Canada) and, as such, is exempt from income taxes and able to issue receipts for income tax purposes that are eligible for a non-refundable tax credit by an individual donor and a tax deduction by a corporate donor.

2. Summary of significant accounting policies

These financial statements are prepared in accordance with Part III of the *Chartered Professional Accountants* of *Canada Handbook – Accounting*, which sets out accounting standards for not-for-profit organizations ["ASNPO"] in Canada and includes the significant accounting policies summarized below.

Fund accounting

The Foundation follows the restricted fund method of accounting for contributions, which include grants, bequests and other donations. The Foundation ensures, as part of its fiduciary responsibility, that all funds received with a restricted purpose are expended in accordance with the purpose intended.

For the purpose of financial reporting, the accounts have been classified into one of three funds.

Unrestricted fund

The unrestricted fund accounts for the Foundation's general fundraising, granting and administrative activities and represents unrestricted resources available for immediate use. The unrestricted fund is used to support the Foundation's operations and make grants to CAMH for the highest priority needs of CAMH.

Restricted fund

The restricted fund includes those funds that are to be used for purposes as specified by the donor or as stipulated in the fundraising appeal. The board of directors may also internally restrict funds, a restriction that may be reversed by the board of directors.

Endowment fund

The endowment fund includes those funds for which either the donor or the board of directors require the endowment principal be maintained permanently.

Notes to financial statements

March 31, 2024

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions, which includes bequests and other donations. Contributions are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions to fulfill pledges are recorded when received since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue in the unrestricted fund. Donor restricted contributions for specific purposes are recognized as revenue of the restricted fund unless the capital is to be maintained permanently, in which case the contributions are recognized as revenue of the endowment fund.

The Foundation recognizes revenue for special events, other than bequests and donations, when earned.

Investment income (loss) consists of income distributions from mutual funds, pooled funds, private equity, alternative funds and fair value changes in investments, net of safekeeping and investment management expenses. Investment income earned on the endowment fund or restricted fund resources that must be spent on donor restricted activities is recognized as revenue of the restricted fund. Investment income subject to donor restricted investment income earned on the endowment is recognized as revenue of the endowment fund. Unrestricted investment income earned on the endowment fund, restricted fund and unrestricted fund resources is recognized as revenue of the unrestricted fund. Investment losses are allocated in a manner consistent with investment income.

Contributed goods and services

Contributions of capital assets, goods and services that can be reliably valued and are for the use of CAMH are recognized in the financial statements. Other contributed goods and services are not recognized.

Grants

Grants are recorded when approved and the grantee has met all terms and conditions.

Financial instruments

Investments are recorded at fair value and consist of investments in mutual funds, pooled funds, private equity and alternative investments, which the Foundation designates upon purchase to be measured at fair value. Investments in mutual funds and pooled funds are valued at the net asset value per unit reported by each investment fund manager, which represents fair value. Private equity and alternative investments are valued by the investment manager using accepted valuation methods. Transactions are recorded on a trade date basis, and transaction costs are expensed as incurred. When fair value is not determinable, investments are subsequently recorded at cost, net of any provisions for impairment.

Other financial instruments, including accounts receivable and accounts payable and accrued liabilities, are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

Notes to financial statements

March 31, 2024

Capital assets

Purchased capital assets are recorded at cost less accumulated amortization. Donated capital assets are recorded at fair value at the date of contribution. Amortization is provided on a straight-line basis over the estimated useful lives of the assets as follows:

Equipment and furniture	5 years
Software	4 years

The Foundation reviews the carrying amount of capital assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may no longer contribute to the Foundation's ability to provide services. Any impairment results in a write-down of the carrying amount of the asset to the capital asset's fair value or replacement value and an expense in the statement of revenue, expenses and changes in fund balances. An impairment loss is not reversed if the fair value of the related asset subsequently increases.

Foreign currency translation

Revenue and expenses denominated in foreign currencies are translated into Canadian dollars at the transaction date. Investments and other monetary items denominated in foreign currencies are translated at the year-end rate. Translation gains and losses are included in the statement of revenue, expenses and changes in fund balances.

Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual amounts could differ from those estimates.

3. Investments

Investments consist of the following:

	2024	2023
	\$	\$
Cash	533,394	1,747,538
Canadian Money Market Fund	32,046,301	17,000,874
Canadian Fixed Income Fund	116,002,752	90,877,388
International Fixed Income Fund	23,684,408	19,640,994
Canadian Equity Fund	23,249,165	22,562,145
International Equity Fund	81,849,911	75,135,164
Private Equity	10,696,760	7,452,450
Real Estate Fund	22,982,113	24,441,896
	311,044,804	258,858,450

Notes to financial statements

March 31, 2024

Investment income consists of:

	2024 \$	2023 \$
Interest and dividend income	15,626,208	7,583,997
Change in fair value of investments	10,002,015	(6,006,592)
Investment income before fees	25,628,223	1,577,405
Investment management fees	(1,061,098)	(1,116,690)
Investment income, net	24,567,125	460,715

4. Capital assets

Capital assets consist of the following:

		2024		2023
	Cost	Accumulated amortization	Net book value	Net book value
	\$	\$	\$	\$
Equipment and furniture	1,199,311	622,867	576,444	252,633
Software	277,754	277,754	_	—
	1,477,065	900,621	576,444	252,633

5. Credit facilities

The Foundation has a \$2 million revolving demand facility to finance general operating requirements, which bears interest at the prime rate minus 0.75% per annum. No amounts were drawn on this facility as at March 31, 2024 or 2023.

6. Restricted fund

The categories of the restricted fund balance, identifying the purpose for which they will be used, are as follows:

	2024 \$	2023 \$
Externally restricted		
Redevelopment and related properties	92,111,876	78,572,441
Research	84,874,132	87,617,429
Programs	27,051,314	25,697,232
	204,037,322	191,887,102
Board designated	13,292	13,292
	204,050,614	191,900,394

Notes to financial statements

March 31, 2024

7. Endowment fund

[a] The categories of the endowment fund balance are as follows:

_	2024 \$	2023 \$
Funds externally restricted for endowment purposes, income from		
which must be used for restricted purposes	26,583,861	25,184,705
Externally restricted funds limited for endowment purposes by the		
Board of Directors	2,481,784	2,351,233
Unrestricted funds restricted for endowment purposes by the Board of		
Directors	11,368,687	10,771,387
-	40,434,332	38,307,325

[b] The Foundation has a policy designed to protect the real value of endowments by limiting the amount of net investment income made available for spending. The amount currently made available for spending is 3.5% [2023 – 3.5%] of the opening endowment fund balance. Further, an administrative fee of 1% [2023 – 1%] of the opening endowment fund balance is allocated to the unrestricted fund.

The preservation of capital [i.e., any excess net investment income earned above the amount made available for spending] is recorded as revenue of the endowment fund for externally endowed funds. For Board endowed unrestricted funds, the preservation of capital is recorded as income of the unrestricted fund and transferred to the endowment fund in the statement of revenue, expenses and changes in fund balances. For Board endowed restricted funds, the preservation of capital is recorded as income of the restricted fund and transferred to the endowment fund in the statement of revenue, expenses and changes in fund balances. For Board endowed restricted funds, the preservation of capital is recorded as income of the restricted fund and transferred to the endowment fund in the statement of revenue, expenses and changes in fund balances. In any year, should net investment income be insufficient to fund the spending amount calculated in accordance with the Foundation's policy, the amounts that is made available for spending is funded by a transfer from the endowment fund.

- [c] The preservation of capital and spending allocation, calculated in accordance with the Foundation's endowment fund policy, is as follows:
 - For the year ended March 31, 2024, net investment income of \$3,467,764 was earned on endowments, of which, \$2,127,007 was allocated for the preservation of capital. Of this amount, \$1,399,156 related to externally endowed funds and was recorded as investment income in the endowment fund. Capital preservation of \$597,299 and \$130,552 related to internally endowed funds was recorded in investment income in the unrestricted fund and restricted funds, respectively, and then transferred to the endowment fund [note 10]. Of the total spending allocation of \$1,340,757, \$376,999 was recorded in the unrestricted fund and \$963,758 was recorded in the restricted fund.

Notes to financial statements

March 31, 2024

 A net investment loss of \$1,704,634 was incurred on investments held for endowments for the year ending March 31, 2023, which resulted in insufficient investment income to fund the total spending allocation of \$1,352,294. As a result, \$394,361 was transferred from the endowment fund to the unrestricted fund and \$957,933 was transferred from the endowment fund to the restricted fund. In addition, \$496,072 and \$108,204 were transferred from the endowment fund to the unrestricted fund and restricted fund, respectively, to replenish the funds for the net investment losses incurred [note 10].

8. Grants

[a] During the year, the Foundation funded projects at CAMH in the following categories:

	Unrestricted fund		Restricted	d fund
	2024	2023	2024	2023
	\$	\$	\$	\$
Education	_	_	789,440	261,608
Programs	2,224,265	_	1,778,644	1,600,191
Public awareness	_	12,081	6,148	381,042
Research	4,000	_	20,468,693	22,584,497
Capital and redevelopment	_	_	43,800,000	10,075,000
· · · · · ·	2,228,265	12,081	66,842,925	34,902,338

[b] Grants to other qualified donees amounted to \$190,205 [2023 – \$721,477]. Grants to other qualified donees included grants to Women's College Hospital Foundation.

9. Interfund transfers

Transfers between funds consist of the following:

	Unrestricted fund		Restricted fund		Endowment fund	
	2024	2023	2024	2023	2024	2023
	\$	\$	\$	\$	\$	\$
Capital preservation on internally endowed funds [note 7[c]]	(597,299)	_	(130,552)	_	727,851	_
Transfer for net investment loss on internally endowed						
funds [note 7[c]] Reinvestment in	_	496,072	_	108,204	_	(604,276)
Foundation support	_	1,804,033	_	(1,804,033)	_	_
	(597,299)	2,300,105	(130,552)	(1,695,829)	727,851	(604,276)

Notes to financial statements

March 31, 2024

10. Related party transactions

- [a] CAMH is an independent corporation without share capital and has an independent board of directors. The Foundation is responsible for all fundraising activities carried out on behalf of CAMH.
- [b] CAMH provides certain services to the Foundation and pays some expenses on behalf of the Foundation. CAMH also provides payroll processing and charged the Foundation for employee costs in the amount of \$10,323,450 [2023 – \$8,768,769]. The Foundation reimburses CAMH for all direct costs associated with services provided and expenses paid. For the year ended March 31, 2024, the Foundation granted CAMH \$69.1 million [2023 – \$34.9 million] to fund capital projects, research projects and other operating activities.
- [c] The amount due to CAMH is payable on demand, is non-interest bearing and consists of two components: grants that have not been disbursed to CAMH and operating expenses incurred by the Foundation that have not been repaid to CAMH.
- [d] These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by both parties.

11. Commitments

- [a] The Foundation has entered into two funding agreements with CAMH. The CAMH Phase 1C Redevelopment Project grant is for \$47 million to support Phase 1C of the redevelopment project and expires March 31, 2033. During the year, the Foundation disbursed grants of \$2.8 million [2023 – \$1.9 million] for Phase 1C. The CAMH Phase 1D Research Building grant is for \$240 million to support Phase 1D of the redevelopment project and expires March 31, 2030. During the year, the Foundation disbursed grants of \$11.0 million [2023 – \$8.0 million] for Phase 1D. The disbursement of funding under these grant agreements is contingent upon receipt of the pledged funds by the Foundation, and funding may be limited or restructured at any time as a result of changes in the schedule or amount of donations from principal funders.
- [b] The Foundation has outstanding commitments relating to investments in limited partnerships, which are expected to be drawn on over time. As at March 31, 2024, the Board has outstanding commitments of USD \$3.8 million [2023 – nil].

12. Financial instruments

The Foundation is subject to market, currency, interest rate and credit risks with respect to its financial instruments.

Market risk

Market risk arises as a result of trading in equity securities and fixed income securities. Fluctuations in the market expose the Foundation to a risk of loss. To manage this risk, the Foundation has an investment policy and invests in a diverse portfolio, including pooled funds representing a mix of local and international securities.

Notes to financial statements

March 31, 2024

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Foundation's investments include non-Canadian equities, the value of which fluctuates in part due to changes in foreign exchange rates. To manage this risk, the Foundation has an investment policy that limits its investment in foreign securities outside of the U.S. to 5% of portfolio assets.

Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect the value of fixed income securities held by the Foundation. The short-term interest bearing investments held by the Foundation have a limited exposure to interest rate risk due to their short-term maturities. The investment policy establishes limits on duration and concentration of fixed income investments, which are designed to mitigate the risk of interest rate volatility.

Credit risk

The Foundation is exposed to credit risk in connection with its short-term and fixed income investments because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation. To manage this risk, the Foundation has an investment policy, which includes a target mix of investment types and concentration limits designed to achieve the optimum return within reasonable risk tolerances. In addition, the amounts receivable consist solely of Canadian harmonized sales tax, which is recoverable from the Canada Revenue Agency, and the risk is considered to be minimal given that the amount is due from the Canadian government.

13. Comparative financial statements

The comparative financial statements have been reclassified from financial statements previously presented to conform to the presentation of the 2024 financial statements.
