COVID-19 and Construction work in Toronto

The Province of Ontario has enacted a declaration of emergency to help contain the spread of COVID-19 and protect the public. A list of essential workplaces in Ontario was announced on March 23. As indicated on the list, City-led infrastructure construction has been deemed essential and this project will proceed. This construction is essential to ensure the City's infrastructure remain safe, in a state of good repair and able to meet Toronto's needs. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

WHAT TO DO DURING AND AFTER WATER SHUT

	<p>Water Service Disruption: Please make sure that all taps are closed, or in the off position, to avoid any flooding when your water supply is turned back on.</p> <p>When your water supply is turned back on before you start using water, we recommend that you:</p> <ul style="list-style-type: none"> Remove the aerator (screen) from your taps. Turn on your laundry tub tap (or the tap located nearest to your property's water meter/shut-off) and let the tap run for a minimum of 10 minutes. Turn on each cold water tap and let the water run for 5 minutes. Replace the aerator (screen) on your tap.
