

PARTICIPATE IN A RESEARCH STUDY ON SUICIDE AND THE COVID-19 PANDEMIC

WHO: *If you are aged 19 and over, live in Nova Scotia, and you experienced suicide-related thoughts and/or behaviours during, or shortly before the COVID-19 pandemic, we want to hear from you.*

WHAT: *One 30-90 minute interview about your experience with suicidal thoughts or behaviours during the COVID-19 pandemic and what supports are needed.*

WHY: *To understand your experiences of the COVID-19 pandemic, including experiences like access to mental health care, physical health, housing, employment and social isolation.*

WHERE: *Videoconference or Phone Interview*

Eligible participants will be compensated for their time for an interview.

This research study is led by Dr. Juveria Zaheer, a psychiatrist at the Centre for Addiction and Mental Health (CAMH).
